GO! Opportunities:

Winshape Camp will be returning this summer. Our church has been involved with Winshape Camp for many years and sends children in our area (several from Frances Nungester School) by scholarship to this week long day camp. This 10k, 5k or 1 mile race raises funds for those scholarships. Go to CFARaceNorthAlabama.com for information and registration. Race is April 29th. Volunteers are also needed to assist before and during the race, **no running involved!** Contact Telete, telete@fbc.org if you can help out the day of the race.

Steeple Chase 8k Run – Benefits the programs of the **Neighborhood Christian Center**. May 6, 7 a.m. More information is on their website, www.decaturncc.org.

Haiti Mission Trip—here is an opportunity to help our students GO! HIRE A MISSIONARY! For the next 4 weeks we are hiring out our FBC teenage missionaries! Yes, you can rent a future missionary! They are ready to work to pay for their trip to Haiti this summer! This is the perfect time to get those yard projects finished, houses cleaned, a babysitter for that overdue date night and anything else that is WORK related! Please Email, Sher'ri Metzgar for more information. Sherri@fbc.org or call/text 256-566-0008, or **in Decatur stop by the table in the Fireplace Room before or after the services.** Thank you for supporting our Haiti Youth Mission Trip!

Medical Supply Collection – We are still collecting medical supply items for the Ghana mission trip, the large barrels have been sent but the team will still pack items to take. Please bring supplies to the Madison office, or in Decatur, to the Coffee Commons or the Field House.

Habitat for Humanity - FBC will be working on homes for Shannon Johnson and her two children and we also have the opportunity to help with the build for the home of FBC members Harold & Kathleen Moore! We had a great time with the Habitat build last year and it was a great way to get to know new people. This year is really special to be able to help the Moore's build their new home! Hope you will be able to join us on either April 29 or May 20. Contact Patrick Clemons, pclemons26@gmail.com

We will need 20 - 30 volunteers for each day. Work will be from 7:45 am to 2 pm each day but if you are only able to work for part of the day that is okay too. Also, if you are unable to work either of these days but would still like to help with the Moore's home, you can sign up individually for another day using the link below:
